

Washington Kitefliers Association

2021 Event Calendar

Note: With the effect of vaccination roll outs and changed Washington state Covid regulations for outdoor events, the status of many of kiting's traditional activities has changed. This draft WKA event calendar reflects the best information (or best guesses) of the sponsoring organizers. (Their input is shown in **Blue** text in this calendar – these will be the most up-to-date listings.) We hope to be on the routing on the resulting notices as organizers make their decisions about their events. We will pass that information on to you through the WKA e-mail distribution.

If you are thinking of attending one of the major festivals this Spring or Summer, we strongly encourage you to contact the event organizer by their web/Facebook site or directly before finalizing your plans.

Listings for **outdoor** group and club Fun Flies are shown in the normal fashion, as these non-public events can be conducted under current regulations.
